Dear Valued partners,

A-Supreme Foundation, is serving seniors in the Greater Toronto area for over five years. This year we're aiming to raise \$100,000 to fund our "Buy Some Time project".

Since we serve so many community members, we'd like to enter into a partnership with your organization.

On September Saturday, 28th, 2019 we are planning to host a Gala Fundraising event. This event will be a formal appreciation dinner to recognize trailblazers who impact our aging community with their selfless dedication and time.

However, we think our efforts would go even farther with your organization's official donor contributions. It takes, "Team work to make a dream work". In this role, your business would provide seniors with an opportunity to live out their golden years with dignity and in turn we would promote your company as the event's official sponsor.

With your Company by our side at this upcoming event, we're sure to achieve this season's fundraising goal and serve the Senior Community well. Please reach out to us at (416-901-8655). We can't wait to hear back from you!

With warm regards,

Keisha Johnson
President of A-Supreme Foundation

Overview

As a charitable organization, we recognize the value of community and appreciate we are stronger together than we are apart. A-Supreme Foundation's mission is to improve the quality of life for our aging population, supporting them to keep pace with life around them.

We continue to offer years of extensive experience in caring for the elderly and infirm. Sadly, our experience with the homecare industry has exposed us to grave deficiencies in the system as a whole. It's evident that immense gains still need to be made if our community is to provide the care and dignity that patients deserve. We feel that education and empowerment are vital to this end. A-Supreme Foundation is a way to give back to our community and advocate for top-quality compassionate care for those in need. And in doing so we support caregivers, to navigate and manage the needed care for a loved one graciously.

“How your partnership & support cares for the senior’s community.”

In home care

Providing assisted daily living, companion care for an average of 4-5 hours. To low-income seniors, who otherwise can't afford to care for themselves.

Educational workshops

Tailored workshops led by Healthcare professionals, diabetic nutritionist, lawyer and fitness therapist, informing them of available services. Teach them various ways of keeping connected with their loved ones.

Recreational activities

Fitness experts facilitating; Zumba classes at community centers to enhance senior's total wellness.
